Subject: Country of Origin and CE Update  
Document: LFPCN\_RC00044  
Date Released: September 3, 2020

Dear Valued Customer,

This letter is to inform you of a change to the Country of Origin for some of the Littelfuse protection relay and controls products from USA to Mexico. There will be no effect on product form, fit or function. This change will occur in several stages throughout the remainder of 2020, dependent on order demand. The product series impacted are listed below. All products continue to have their existing certifications, with the exception that CE labeling has been removed from some product series at this time as noted with an asterisk.
